**Everlasting HOPE** is a non-profit ministry with the purpose of reaching children and families within Cebu, Philippines. Our primary focus is to help children with **cancer** by providing access to healthcare services. We advocate for the child and family through coordinating healthcare resources and connection to various agencies and organizations. We give much needed emotional and spiritual care to the child and family during such a difficult time and help to bring the support of the community around the family.

In August 2016 we opened our Everlasting HOPE Center in Guadalupe, Cebu City. Children and families living within our Center and community are supported through:

1. A home away from home through temporary shelter for up to 12 children and their family per day while receiving medical treatment and care in Cebu.
2. Medical crisis program, nutrition, home and hospital visitation, and transportation to appointments.
3. Advocacy and referrals, coordination of healthcare resources, and connection to various agencies, organizations, and medical teams.
4. Interactive events and activities, expressive arts and play, informal learning, celebration of life parties, family and community outreach events.
5. Emotional and spiritual care through family support groups, counseling, prayer and Bible studies, grant-a-wish, and bereavement services.
6. Empowerment of parents through livelihood projects to supplement their child's medical needs.

We are committed to enhancing and improving the quality of life of children with cancer and their families. Using a wholistic approach, we bring hope and compassionate care through Jesus Christ.

## 2019 Volunteer Positions

**Everlasting HOPE is looking to add passionate and dedicated individuals to our team through the following volunteer positions:**

### Graphic Artist Interns

- Support Everlasting HOPE through graphic arts, presentations, and multimedia platforms. Create various graphics, video and PowerPoint presentations, website and social media posts.

### Marketing and Fundraising Interns

- Support marketing and fundraising efforts through coordinating fundraising events, communications with donors and partners, attend events and cover informational booths sharing the mission and vision of Everlasting HOPE.

### Journalist and Communication Specialists

- Support Everlasting HOPE through communications and news stories. Tell the story of our children, families, and ministry through newsletters, blog posts, social media stories and captions.

### Volunteer Coordinators

- Support Everlasting HOPE through providing volunteer coordination. Process volunteer applications, schedule interviews, and ensure volunteers are getting assigned to their roles and are receiving the proper support, training, and evaluations.

### Emotional and Spiritual Care Volunteers

- Provide emotional and spiritual care support to our children and their families through prayer, worship services, Bible Studies, Discipleship, counseling, conducting home and hospital visitations.
